

Akeley Allotments - Annual Report March 2016

Not much has gone on this year. Those who have allotments are working them well.

Only one allotment has been taken this year but I have recently had an enquiry from someone who was interested some years ago so maybe another one will be rented soon.

The allotments are advertised in the Akeley Newsletter regularly.

Hopefully the weather this year will encourage some new people to give vegetable/fruit growing a try.

Mary Taylor

Allotments Officer
