

Akeley Allotments - Annual Report March 2017

It is now 12 years since the Allotment field was established and there are 5 allotments being worked at the moment.

Rents are due next month and one allotment holder will not be renewing due to moving out of the village.

The other allotments over the years have been rented out and given up on a regular basis and are now overgrown.

I advertise in the Akeley News Letter every issue but no one has come forward for a few years wanting to have an allotment

I'm not sure how to get people interested at the moment and hope that this will change in the coming year.
